WHOLESALE SEED MERCHANTS

108-118 LIGHT STREET

BALTIMORE, MD., JANUARY 28, 1927.

There has been no material change in market conditions during the week.

Both inquiries and orders show improvement. We expect an active demand after early part of February provided the weather is favorable. We can supply you with both the DOMESTIC and FRENCH grown Red Clover to advantage. The FRENCH SEED we consider splendidly adapted to your conditions. Will appreciate your inquiries and send samples when desired—PHONE, WIRE or WRITE US, WE CAN PLEASE YOU—QUALITY, PRICE, SERVICE.

We do not handle Italian or South European grown Red Clover or Alfalfa.
